LAGUNA GLAZES

Laguna Clay Company is one of that largest producers of glazes for schools, manufactures, and artists, with thousands of stock and custom glazes for temperatures from Cone 06 to Cone 10. We offer one of the most extensive lead-free selections available anywhere. Need a custom color? That's our specialty.

Please feel free to call us, we are here to help.

Certified Non-Toxic

Laguna lead-free glazes do not contain any material in sufficient quantity to be toxic or to constitute a chronic health hazard when used responsibly. They have been evaluated by a

Stock Glazes

Laguna Clay Company manufacturers hundreds of glazes for all firing ranges- from low to high fire. They are an exceptional value for your studio, school, or manufacturing needs and are available in liquid and dry form.

Custom and Special Order

Please find information about mixing custom glaze formulas, custom color matching services and associated pricing on our

Glaze Shelf Life

* We recommend rotating stock and using glazes within 6-12 months.

* Do not store liquid glazes in areas that freeze.

Testing Glazes

It is essential that you test fire all glazes-stock and custom-in your kiln and under your firing conditions. Laguna Clay Company liability is strictly limited to

Safety: Material Handling

Wear proper safety equipment when interacting with dry clays, glazes and other ceramic materials. This includes but is not limited to a NIOSH-approved respirator.

All Lead Glazes Discontinued

Laguna Clay does not stock leaded glazes. Available by

General Guidelines for Using Laguna Glazes

Glaze technicians are on hand for your questions. Information on the use of Laguna Glazes, including cone ratings and mixing dry glazes, can be found on our website: www.LagunaClay.com

****Pricing shown is subject to change without notice.***

LAGUNA GLAZE BOARDS

Color, texture and options galore...You name it, we have it for you.

Picture this, you're in the studio about to glaze that vase you spent hours working on.

But what glaze are you gonna choose? A baby blue matte, a crystal blossom snowflake or a sassy red? Start by gazing at your new glaze boards and imagine the possibilities. We know, decisions can be hard but not if you have these glaze boards in your studio. Each board is organized to suit your needs. From color blocking to layering effects, these are definitely a studio upgrade.

Each board is \$45.
